my memory selective in not retrieving this name, or is one of his notes not mentioned elsewhere/ If this is the case, do you know what led to him so very soon? He was located and seen four days after the assassination. Maybe Albany is not far from him and someday Gary can check into this. I think it may be very worthwhile.

CD# 1245:374-8: With the rest of this all or as large a part published out of San Antonio so much earlier, why does this appear to have Dallas origins and of so relatively late a date. If this is the day with the name identical with that of one of the men arrested at a camp, tell them [illegible], the they elsewhere? Why did this get suppressed, since [illegible] 2/14, three months earlier.

More on [illegible] did [illegible] the two of you [illegible] would just have [illegible]
